

## NOTICE OF CHANGE OF RESELLER FOR COUGAR SOFTWARE

26<sup>th</sup> January 2010

Schlumberger Information Solutions (SIS) and Beicip-Franlab (a 100% affiliate of IFP) jointly announce that effective 30<sup>th</sup> April 2010, SIS will cease to be the reseller of Cougar<sup>TM</sup> software. From 1<sup>st</sup> May 2010 Beicip-Franlab will be responsible for all sales, distribution and support of Cougar. IFP, as owners of 100% of Cougar intellectual property, will continue to develop the software.

The final Cougar version released and supported by SIS is 2009.2, and all future versions will be released and supported by Beicip-Franlab. From 1<sup>st</sup> May 2010, existing and new Cougar license holders will be supported by Beicip-Franlab. Prior to 30<sup>th</sup> April 2010, each existing Cougar customer will receive a letter of assignment from SIS and Beicip-Franlab explaining the change of service provider to Beicip-Franlab together with details of new support contacts and related support mechanisms.

Beicip-Franlab is a leading consulting service provider and software supplier in the petroleum industry. Its staff of more than 250 internationally renowned experts with international teams in Paris, Moscow, Tripoli, Bahrain, Abu Dhabi, Kuala Lumpur, Houston, Rio de Janeiro, Mexico, is ideally situated to provide a seamless transition and support to existing and new Cougar customers.

If you have questions, please direct them to your SIS Account Manager, GeoMarket Sales Manager, or Area Sales Manager.
